OFFICE OF THE
INSPECTOR-GENERAL OF POLICE IN MYSORE.
Dated Bangalore. 6th January 1909.

From

D. Devaraj Urs Esqr
Inspector-General of Police in Mysore.

To

K. S. Chandrasekhara Aiyar Esq., B.A., B.L.,
Secretary to the Government of H. H. the Maharaja of Mysore,
General and Revenue Departments.

Sir,

I have the honour to state that two sorts of buttons are now being used by the Mysore Police viz - (1) crown buttons, introduced in the British Commission days and now used by constables, Duffedars and Sergeants; (2) double headed eagle buttons recently introduced and now used by Jamedars or Head constables and higher officers. The Civil and Military Station Police also use the crown buttons. For the purpose of differenciation between the two forces on the one hand and on the other to secure uniformity in the Mysore Police Force, I propose the use of the double headed eagle buttons by all ranks of the Force. This measure will also be in keeping with the Insignia of the Mysore Government.

To introduce this change, 45,000 double headed eagle buttons for distribution among Duffedars, Sergeants and constables of the Force in lieu of the crown buttons to be replaced and 5000 more to be in stock for contingencies, in all 50,000 buttons will be required. The total cost of these will be about ₹2,000/-. I would propose the sale of crown buttons now in use and also in stock which will come to nearly 50,000. It is not now possible to say exactly as how much the sale proceeds may amount to.

2

Herewith are forwarded for inspection sample designs of eagle buttons tendered by Messrs. Barton Son & Co. Bangalore., and a crown button. The expenditure on this score may be met from the Budget allotment under the head "Equipment and Clothing."

I request you to kindly obtain sanction of Government for the proposed measure.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector-General of Police.
